The Hundred Years' War on Palestine: A History Of Settler Colonialism and Resistance,...

academia.edu

A simple letter written in 1899 was perhaps the opening shot fired in the war on Palestine. It was written by Theodor Herzl, Viennese journalist and leader of the world Zionist movement, in response to Yusuf Diya al-Din Pasha al-Khalidi, the great-greatgreat uncle of author Rashid Khalidi.

https://vk.com/doc358527_599173000?hash=vucwuQ1b5ZardkqdQGKbnOWkDXQEPBBxSHAgYaK4i1L

Nakba brings to light the different ways in which Palestinians experienced and retain in memory the events of 1948. It is the first book to examine in detail how memories of Palestine's cataclysmic past are shaped by differences of class, gender, generation, and geographical location.

<https://yplus.ps/wp-content/uploads/2021/01/Karmi-Ghada-Return-%E2%80%93-A-Palestinian-Memoir.pdf>

An extraordinary memoir of exile and the impossibility of finding home, from the author of *In Search of Fatima*
"The journey filled me with bitterness and grief. I remember looking down on a nighttime Tel Aviv from the windows of a place taking me back to London and thinking hopelessly, 'flotsam and jetsam, that's what we've become, scattered and divided. There's no room for us or our memories here. And it won't be reversed.'"

A PENGUIN SPECIAL

On Palestine

Noam Chomsky &
Ilan Pappé

<https://d-pdf.com/book/4040/read>

The need to stand in solidarity with Palestinians has never been greater. Ilan Pappé and Noam Chomsky, two leading voices in the struggle to liberate Palestine, discuss the road ahead for Palestinians and how the international community can pressure Israel to end its human rights abuses against the people of Palestine. On Palestine is the sequel to their acclaimed book Gaza in Crisis

<https://jfp.freedomflotilla.org/wp-content/uploads/2018/07/From-Beirut-to-Jerusalem.pdf>

One of the most thought-provoking books ever written about the Middle East, From Beirut to Jerusalem remains vital to our understanding of this complex and volatile region of the world. Thomas L. Friedman drew upon his ten years of experience reporting from Lebanon and Israel to write this now-classic work of journalism. In a new afterword, he updates his journey with a fresh discussion of the Arab Awakenings and how they are transforming the area, and a new look at relations between Israelis and Palestinians, and Israelis and Israelis. Rich with anecdote, history, analysis, and autobiography, From Beirut to Jerusalem will continue to shape how we see the Middle East for many years to come.

<https://yplus.ps/wp-content/uploads/2021/01/Karmi-Ghada-Return-%E2%80%93-A-Palestinian-Memoir.pdf>

One of the Arab world's greatest poets uses the 1982 Israeli invasion of Lebanon and the shelling of Beirut as the setting for this sequence of prose poems. Mahmoud Darwish vividly recreates the sights and sounds of a city under terrible siege. As fighter jets scream overhead, he explores the war-ravaged streets of Beirut on August 6th (Hiroshima Day). Memory for Forgetfulness is an extended reflection on the invasion and its political and historical dimensions. It is also a journey into personal and collective memory

READ

<https://goodtimesweb.org/documentation/2012/Noam-Chomsky-Fateful-Triangle.pdf>

One of Noam Chomsky's most important and renowned works, *Fateful Triangle*, is a devastating indictment of American and Israeli foreign policy which covers a sustained period of Middle East history from the formation of the State of Israel to the Oslo Peace Accords. With a foreword by the late Edward Said, this powerful book belongs in the hands of anyone who wants a deep understanding of Israel and its relationship to Western power.

<https://gazaunlocked.org/anthology>

Imagining the future of Gaza beyond the cruelties of occupation and Apartheid, *Light in Gaza* is a powerful contribution to understanding Palestinian experience. Gaza, home to two million people, continues to face suffocating conditions imposed by Israel. This distinctive anthology imagines what the future of Gaza could be, while reaffirming the critical role of Gaza in Palestinian identity, history, and struggle for liberation.

<https://socialistworker.co.uk/wp-content/uploads/2021/11/palestine-pamphlet-for-web.pdf>

This pamphlet is for everyone who wants to go beyond sympathy and condemnation to get organised in solidarity with the struggle for freedom in Palestine and across the Middle East.

*A Rose Shoulders Up

by Mosab Abu Toha

In English:

Don't ever be surprised
to see a rose shoulder up
among the ruins of the house:
This is how we survived.

In Arabic:

وردة تبزغ
لا تتفاجئ أبداً
عندما ترى وردةً تبزغ
بين ركام البيت:
هكذا نجونا.
